LEGEND

Crafted by hand in the United States, ensuring high quality, attention to detail, and strict manufacturing

Designed with a lightweight structure for easy handling, transportation, and installation

Made from safe, non-toxic materials, making it environmentally friendly and suitable for indoor use.

Safe for homes with pets — thoughtfully designed to ensure no harm to animals.

Easily adjustable in height to fit different spaces and installation requirements.

Width can be customized to seamlessly match various layouts and design needs.

Fully adjustable in both height and width, offering maximum flexibility for any space

Built with fire-resistant materials to provide an additional level of safety during use.
